

Coravin,
now automatic
and connected

999€
CORAVIN™
Model Eleven

SKU 112180
EAN 0856300007894

The Model Eleven is a sophisticated, fully automatic and app-connected Wine Preservation System. Just connect your System to the Coravin Moments App to craft unique wine moments and check System stats. It also allows you to choose between sip or glass mode and tells you when you are running low on gas or should replace the needle. It comes with a range of premium accessories.

Accessories

Exclusive Carry Case

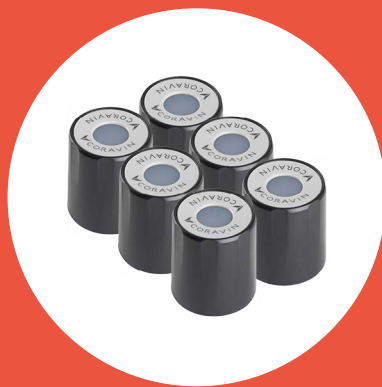

This durable and exclusive carry case is beautifully designed to carry your Model Eleven in style wherever you go.

6 Capsules
To pour up to 90 glasses of 150 ml of wine.

6 Screwcaps

Keep your screwcap wines for up to three months!

Brushed Metal Base
The most sleek base created until now.

Aerator

Breathe air into your wine as you pour. Using the aerator has the same effect as decanting your wine for 60-90 mins.

Coravin Moments App

MOMENT CREATION

Tap to type anything that you would like to pair with wine, such as film, music, food, events.

CAPTURE WINE

Capture lets you scan bottles that you are adding to your stock or bottles you want to remember. You can also add wines by directly searching via text.

SUGGESTED MOMENTS

A mix of favourite wine moments, recent pairings, recommended moments, as well as other Coravin users' most popular wine moments.

MOMENT PLAY BOOK

The results of the pairing algorithm are shown here. Wines available in stock are recommended list. Guidance is provided to fill the gaps.

CHEAT SHEET

Simple guidance helps you start the conversation with your local wine store expert to locate a wine for the moment.

DIY TIPS

If you prefer to search for the wine on your own, the app provides straight forward tips to navigate the shelves.

GAPS

Shows the wines that are ideal pairings that you do not own and guides you through finding a wine appropriate for this moment.

RECOMMENDATIONS

The app selects wine you own to compliment specific moments. You can change the wine or the keyword that is being paired.
